

# CDC Comforters 2017

---

38 x 46

Designed by Ruth Mowery

You will need 4 strips of Focus Fabric 4 ½" wide.

3 strips of Yellow – 3 ½" wide.

3 strips of Blue Dot – 4 " wide.

3 strips of Orange 3 ½" wide.

You will start and end with the Focus Fabric.

Put the strips together in the following order:

Focus Fabric

Yellow Fabric

Blue Dot Fabric

Orange Fabric.

Keep adding in the same order until you have 13 strips. Make sure you end with the Focus Fabric.

**DO NOT PRESS SEAMS OPEN. Press to one side.**

Fold in half and cut selvages off one side.. Measure to 38" and cut the other side. There is NO BORDER FABRIC. The yellow backing becomes the border on these comforters.

Make all seams a scant 1/2 ".

We cut the backs 2 ½" wider all around than the width and length of the top, fill with batting, tie with yarn, and turn up edges and hem or sew on machine for binding. Quick, easy, and fun.
