

The Wonderful World of Pinwheels!

Fabric Requirements:

Table Runner

12 sets of 5" squares (a set is 2 mediums or darks + 2 lights)

Baby quilt (36 x 45)

18 sets of 5" squares (a set is 2 mediums or darks + 2 lights)
This quilt is set on point/diagonal so you will need 1/2 yard of setting fabric.

Soldier quilt (57 x 72)

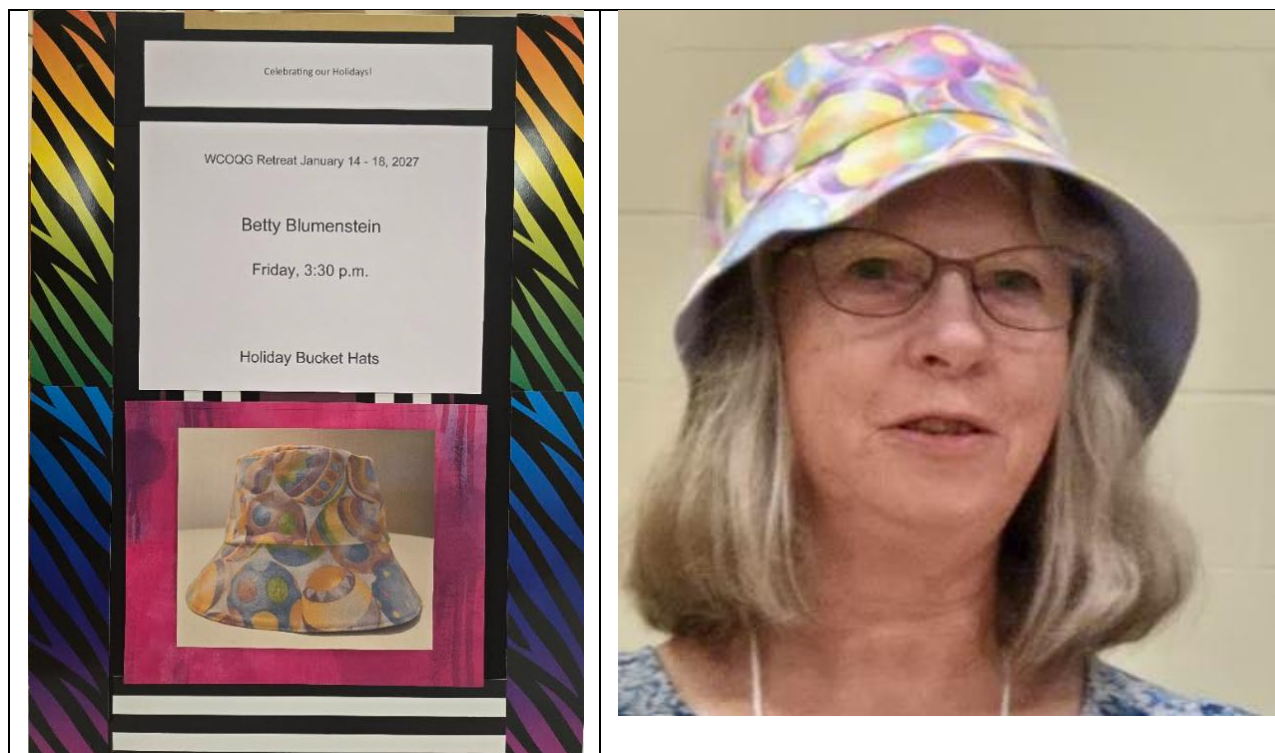

63 sets of 5" squares (a set is 2 mediums or darks + 2 lights)

Queen size (80 x 96)

120 sets of 5" squares (a set is 2 mediums or darks + 2 lights)

You may use a stack of charm squares - as long as you have equal numbers of lights and darks

Holiday Bucket Hat

A soft adult sized hat can be made with cotton fabric. The pattern has three pieces; a brim, crown and top. Cut 1 of each piece on fabric fold of main fabric and lining fabric. Light weight inner facing is an option on the brim. The basic hat is reversible. One of two options for adding a chin cord keeps it reversible.

- Uses 18" x 24" each of two fabrics or ½ yard WOF of one fabric.
- Optional - 12" x 20" of lightweight inner facing applied to the brim lining.
- Optional - 24" chin cord with a springlock for windy days.
- Optional - two small clips for a removable cord for a reversible hat.
- This pattern uses index markings for aligning the curved pattern pieces with 1/4" seams.
- Sewing curved seams is easier on a machine with the extension table removed to expose a free arm.
- Tools needed include pins, scissors, a pencil and matching thread.

Have fun using favorite colors, sports team or hobby interest fabrics. Add embellishments like beads, pins, decorative stitching, patches, etc.

Class is scheduled for Friday, January 15, 2027. Betty Blumenstein 419-224-0898

Disappearing Grecian Block or Greek Cross Block For Trees and garland.

This quilt measures 39" X 52" and is perfect for a lap quilt or a baby quilt.
It is super quick because there are only 12 blocks! 6 positive and 6 negative

Fabrics:

Green — 2/3 yard	36 Green Charms (if you want your trees different)
Red — 1/2 yard	18 Red Charms (if you want your garland different)
White — 1 yard	54 White Charms (if you want yours different)

From Green and Red fabrics: yardage

Step 1—Cut two (2) strips measuring 2-3/4" x 21"

Step 2—Cut one square measuring 11" x 11", From the Green and White.

This will be used to make your half square triangles (makes 8 at a time).

Step 3—Cut one square 5" x 5". Each Red and white. This is your center square.

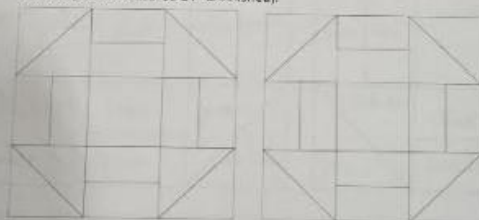

For each block you will need to make:

(4) Half Square Triangle (HST) Blocks, trimmed to 4 1/2" X 4 1/2". Made from the 11" x 11" square (green and white).

(4) Bar blocks — Green and White — measuring 5" wide and 4 1/2" long.

(4) Bar blocks — Red and White — measuring 5" wide and 4 1/2" long.

When sewn together the block should measure 13" X 13" finished (13.5" unfinished).
However, mine measured 14" unfinished).
